Hi Brian,
Sure thing. Here's the shared drive folder with flight logs and photos from Radford/McAlester. I hope you have a great weekend too!

Hi, Guys. Hope you both are well!

We just got back from the Army Research Laboratory – more fun stuff! Emissions from M4 carbine firings and small, enclosed TNT detonations.

Can you remind me where your video archive is for Radford and McAlester?

Thank you!

Have a good weekend!

Brian
